

SILENTSPACE ACOUSTIC PANELS

Pre-manufactured fabric wrapped acoustic panels appropriate for wall or ceiling applications. Wrapped with recycled polyester fibre fabric, given a thick, durable and pinnable finish to the panel.

KEY BENEFITS

- Outstanding acoustic properties
- Available in 2 thicknesses - 25 (Class C) and 50mm (Class A)
- Wide variety of fabric choices
- Customisable to any size and shape on request
- Cost-effective and high performing acoustic solution

ACOUSTIC PERFORMANCE

Frequency	25mm	50mm
125	0.10	0.30
250	0.25	0.65
500	0.65	0.95
1000	0.85	1.00
2000	0.95	1.00
4000	0.95	0.95
NRC*	0.70	0.90
